Spring 2020

Dear Friends,

With abiding optimism for another season of eminent chamber music, we are pleased to announce the 2020-2021 CMSW subscription concert series. Sadly, the Corona virus pandemic forced cancellation of the last two performances of the present series. They were anticipated to be two of the finest yet. To mitigate your disappointment, we are pleased to offer current subscribers a \$30 credit per subscription off the regular \$90 subscription price for our 2020-2021 series. The six heralded groups included in the roster promise exceptional performances.

To assure your tickets for the next concert season, current subscribers should re-subscribe no later than **Monday, June 1**. On Tuesday, June 2, we will open the season to new subscriptions in the order in which forms with checks were received.

CMSW has relied for years on donations from subscribers and other friends of chamber music to help bridge the gap between our concerts' costs and revenue from ticket sales. The generosity of supporters has enabled the Board to engage high quality ensembles, and we continue to look to the friends of CMSW for contributions to sustain the excellence of the series. Your generous, tax-deductible gifts for the 2020-2021 season will be appreciated and acknowledged.

Thank you for your subscription and support. Come join us for our 34th season. Meanwhile, be safe and stay well.

Best regards,
